

## VISIONS FUND GRANT APPLICATION

The purpose of the VISIONS Fund is to provide financial support for our students and our schools and for educational experiences that enhance the students' curriculum with unique and creative teaching opportunities for Vandalia-Butler City Schools students, for initiatives which are not within the budget of the District.

The VISIONS Fund is prepared to award total grants of **\$5,000** or more each year. In the current grant cycle, approximately \$15,000 is available for educational grants. The Grant Committee invites each applicant to embrace an initiative which will appropriately use the available funds and benefit a significant number of students. Complete the following application to request a grant from the VISIONS Grant Committee.

Initial grant applications generally must be received by December 1. The committee usually selects the grants in January, and then, will periodically meet with the school representatives, as needed, to further develop the applicant's request until final grant approval.

Requests may be sent via email to the Grant Committee at [info@visionsendowmentfund.org](mailto:info@visionsendowmentfund.org). A hard copy may also be sent to the following address:
